This document was generated by VLTD for insurance documentation purposes.
Cost = purchase price + tax + shipping + fees. A dash means no cost was recorded. Not counted: 5 sold, 1 supply item (boxes, cases), 1 wishlist item. 17 items have no estimated value. Their acquisition cost ($417) is shown in the Cost column for reference and is not counted as value.

Estimated values are based on collector-entered pricing data, recent comparable sales, and/or AI-assisted valuation estimates. This document is not a certified appraisal. For high-value items, an independent professional appraisal may be required by your insurer.
